Singapore, 12 November 2025 – This festive season, Amara Hotels & Resorts turns up the holiday magic with a thoughtfully curated line-up of stays, culinary indulgences and gifting experiences across its two iconic properties - Amara Singapore and Amara Sanctuary Sentosa. Guests can look forward to a season of joy, flavour and togetherness steeped in Amara's signature blend of warm hospitality and refined comfort.

Amara Singapore – A green Christmas in the city

At the heart of Amara Singapore's festive showcase is a celebration of sustainability and creativity. The Lobby Bar on Level 1 is transformed into a tastefully designed setting, decorated with intricate ornaments assembled from repurposed coffee capsules and wine corks, all thoughtfully handcrafted by the hotel team. These repurposed decorations illustrate Amara Singapore's view that festive elegance can be created sustainably, with teamwork, artistry, and environmental responsibility working in parallel.

Beyond a display of indulgence, the Lobby Bar also serves as a retail showcase and collection point for the hotel's festive hampers and takeaway offerings, which features a curated selection of wines, champagnes, artisanal cookies and eco-friendly hampers assembled using recycled wooden baskets and wine crates. The initiative highlights Amara Singapore's commitment to craftsmanship, community, and sustainability, demonstrating that vacations can be both luxurious and environmentally friendly.
